RE: Fatal Injury: Casey Lloyd
Fatal Injury: Andrecia Delaine
D/I: March 23, 2012

Dear Sir or Madam:

On March 23, 2012, Casey Lloyd, age 27, and Andrecia Delaine, age, 30, both men of Hartsville, South Carolina drowned while boating at Lake Robinson, Darlington, South Carolina.

Witnesses stated that several friends had gone boating when one of the boats overheated. The deceased individuals would take turns, one by one, jumping into the lake to cool off. Around 5:30 pm the friends noticed the two men were missing and had not resurfaced. The last of the two men was not officially recovered from the lake until March 27, 2012.

Sincerely,

Robert A. Kinney
